

When you start a new business, it's important to set up the right structure. Getting it right the first time can protect your personal assets, and changing the structure later on can be a big headache. Set yourself up for success by setting up the right business organization with the Banzai Coach!

BANZAI COACH Setting Up Your Business

Your Logo Here

How do you start a **BUSINESS?**

Do you set up an LLC? What about a corporation or sole proprietorship? If these questions sound hard to answer, the Banzai Coach is the right tool for you.

If you're thinking about starting a business, you need someone to walk you through the benefits and trade-offs of different business structures. The Coach is a virtual adviser that can do just that, and so much more.

To use the Coach, go to [YOURSUBDOMAIN].
learnbanzai.com.

Click on **Coaches** at the top, and find "Setting Up Your Business."

It only takes a few minutes, so get started today!

Start Today

1

Learn the different ways to organize your business.

2

Decide on an organization structure.

3

Prepare to set up your business in your state.
