=====

Use the following text for promoting the Banzai Coach in your organic (nonpaid) posts. Keep Facebook/Twitter posts about 80 characters long before using hashtags, and Instagram captions about 140 characters. Use the suggested hashtags to supplement. Remember to insert a link to your co-branded version of the "Basic Bookkeeping" page on Facebook and Twitter. Instagram captions do not support hyperlinks. The corresponding images are in folders based on their size for the platform: Instagram and Facebook images are square and Twitter images are rectangular.
