

Owning a business means staying on top of financial reports and bookkeeping. We know this is easier said than done. Well, it used to be.

The Banzai Coach will guide you through basic bookkeeping principles, provide templates for your use, and help you integrate bookkeeping into your business practices.

Bookkeeping is Essential

Starting a business can be risky, but you can mitigate that risk by closely managing your finances. Keeping track of how much your business brings in, how much you spend, and what your business is worth is the best way to track your path to success.

The Banzai Coach, a virtual financial adviser, will walk you through the bookkeeping process and basic accounting practices. You will learn to think like a wise business owner, getting personalized advice for your situation all along the way.

To use the Coach, go to **[YOURSUBDOMAIN].banzai.org/wellness**. Click on **Coaches** at the top, and find **"Basic Bookkeeping."** It only takes a few minutes, so get started today!

You Can Start Today

1

Create basic financial reports.

2

Calculate straight-line depreciation of assets.

3

Use simple ratios to analyze profitability.
