Trim Your Budget

Slim down your budget, put some extra cash in your pocket, and reach a savings goal.

Do you feel like there's no wiggle room in your monthly budget? Set a savings goal and work out a way to reach it with the Banzai Coach.

The Banzai Coach is like a conversation with a virtual financial mentor. It takes you through your budget and helps you determine where you can trim expenses and save!

The Coach encourages you to set a savings goal and then walks you through your expenses one category at a time. At each stage, you'll get tips on how to reduce spending in that category and determine how much you think you can shave off your budget.

To use the Coach, go to [\[YOURSUBDOMAIN\].banzai.org/wellness](#). Click on "Coaches" at the top and find "Trim Your Budget". It only takes a few minutes, so get started today!
