Name: Social Media Posts
Product: Pocket Advisor

=====

Use these social media posts for promoting Pocket Advisor in your organic \non-paid\ posts. It's important to remember to keep Facebook/Twitter posts at about 80 characters in length before using hashtags and Instagram captions to about 140 characters. Feel free to use the suggested hashtags to supplement and remember to insert links to both the Apple and Android versions of the app.

Note: Instagram captions do not support hyperlinks.
