

Interview a Business Owner

Find a business owner (ideally in an industry you're interested in) and interview them. If you aren't sure where to start, try stopping by local restaurants, visiting craft fairs or marketplaces, or reaching out to small businesses on social media. Some ideas include an artist selling their work, an independent hairstylist or makeup artist, or a boutique clothing owner.

Business Owner's Name: _____

Business: _____

1. When did you know you wanted to start your own business?

2. Where did you come up with the idea for your business?

3. What's the best thing about owning your own business?

4. What's the hardest thing about owning your own business?

5. What advice would you give to someone looking to start their own business?
