

How Did It Go?

Reflect on your experience playing Advanced Budgeting.

1. Name one decision you made in Advanced Budgeting that didn't turn out the way you expected. Why did it surprise you? Would you have changed your decision?

Answers will vary.

2. Explain what a credit report is. Name at least two things in the game that affected your credit report. What was your credit score at the end of Advanced Budgeting?

Answers will vary.

3. Identify one instance in Advanced Budgeting where you had to sacrifice something to pay for something else. Explain why the trade-off did or didn't work.

Answers will vary.

4. How would you explain double-entry accounting to someone who's never budgeted before? How often do you record your income and expenses?

Answers will vary.
