

How Did It Go?

Reflect on your experience playing **Life Scenarios** and the game.

1. Name one decision you made that didn't turn out the way you expected. Why did it surprise you? Would you have changed your decision?

2. Which car did you choose and why? Would you have chosen differently?

3. Identify one instance in Teen where you had to sacrifice something to pay for something else. Explain why the trade-off did or didn't work.

4. Name three kinds of insurance you should have and what their benefits are.
