

# Interview a Pro

Find someone you know who has gone to college or is working in a field you're interested in. Take 15 minutes to interview them. Ask them the following questions and be detailed when writing out their responses. Remember to add one question of your own to the end of the interview.

**1.** What most prepared you for life after high school?

---

---

**2.** When did you know exactly what you wanted to do for work?

---

---

**3.** Is there something you wish you'd known in high school that you think could've helped you get ahead?

---

---

**4.** When and how did you start saving for an education?

---

---

**5.** Did the cost of education surprise you—did you feel prepared enough?

---

---
